Thank you for providing the Colorado Department of Transportation (CDOT) with your thoughts and opinions through this survey through this Emergency Escape/Runaway Truck Ramp Survey. The purpose of this survey is to learn how to enhance the safety of all road users that travel through our mountain corridors. Please respond to the following 13 questions, which will help the CDOT further improve the safety of Colorado’s mountain corridors.

If you prefer to take this survey online, please scan this QR code:
